Core pricing principle: every quotation should cover vehicle cost, driver time, labour, loading/unloading, operating risk and a reasonable business margin. The rates below replace the legacy “from £25” structure with a 2026 operating model.

Important: prices are guide rates for standard access and normal goods. Final quotations should be confirmed after checking postcodes, van size, stairs/lifts, parking, item weight/size, waiting time and any special handling. VAT is shown on the final invoice if applicable.

Distance & journey charges

Local work	Short Distance: £3 per mile + goods up to 50 mileages
Long-distance transport	Long Distance (over 50 miles): £3 per mile (pay distance only)
Return / dead mileage	50% of the applicable mileage rate where an immediate return journey is required, unless a fixed round-trip qu
Motorway tolls / ferries	Charged at actual cost, plus any pre-agreed administration / booking fee.

London & access charges

Congestion Charge	Actual TfL charge passed through to customer. Current standard charge is £18/day when paid on the day or in adv
ULEZ / Clean Air Zone	Actual applicable charge, where the vehicle is not exempt.
Parking / permits / suspensions	Actual cost + £10 administration where ELDINVIS arranges the permit or suspension.
Waiting time	First 20 minutes free; then £20/hour, charged pro-rata in 15-minute blocks.
Stairs — first flight	First floor: £18 per flight
Additional flights	£10 per flight thereafter.

SINGLE-ITEM & FURNITURE HANDLING

Recommended handling charges when a customer requests collection / delivery of individual items. These are handling prices and assume normal access; transport time and mileage are quoted separately where applicable.
